

Pentangel Report

After driving up to Montrose on the Saturday in beautiful weather it was disappointing to wake up on the Sunday to dark clouds and rain. Travelling from our B&B in Montrose up to Lathallan school in Johnshaven, we were treated to lovely coastal views.

The competition was held on the rugby pitches of Lathallan school, situated on the side of a hill over looking Johnshaven and providing a view of the sea. The field was surrounded by trees on all sides which provided some shelter from the wind, but unfortunately not from the rain.

Although the rain caused problems the county team performed well. Alan Kirkup came in second in the men's recurve and Chris Gill came in third. The men's recurve team comprised of Alan Kirkup, Alan Blogg, Chris Gill and Jim Mullins came in second.
